

NEWCASTLE UPON TYNE

July 2024

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 78 councillors
- 26 wards
- 3 councillors per ward

We are proposing:

- 78 councillors
- 26 wards
- 3 councillors per ward

A public consultation is open until
16 September 2024

We aim to make sure Newcastle
councillors represent a similar
number of electors

Currently there are:

- 11 wards that are more than 10% away from the average number of electors per councillor
- 5 wards that are more than 30% away from the average

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per councillor
- Each councillor will represent an average of 2,575 electors
