Milton Keynes Council Boundary Review

Dear Sir

I live in Crownhill Milton Keynes [REDACTED] At the time of the last Boundary Review Crownhill was added to Stony Stratford Ward. The reason for this was to make the numbers up in Stony Stratford Ward. Crownhill has no physical connection to Stony Stratford.

Since then there has been a dramatic development in the expansion of the Western Expansion Area of Milton Keynes in Whitehouse. Whitehouse is close to Crownhill and is still expanding. It is clear that Crownhill and Whitehouse would make a new Council Ward.

With regard to the present Stony Stratford Ward the other half of the Western Expansion Area is Fairfields which is next to Stony Stratford. Fairfields added to Stony Stratford would make a viable Council Ward.

Yours faithfully
