Comment text:

Related subject: Woughton and Fishermead / Campbell Park

Fishermead was moved from Campbell Park Ward to the Woughton ward. As a result we are now no longer represented by someone whose focus is on Fishermead as the other areas in the Woughton Ward are part of the Woughton Parish council. We need to have councillors who we feel look after our local areas. Two of our Parish councillors are now representing on the Central Milton Keynes ward. So I feel that we have been disenfranchised by the change and that this needs to be reversed. Or the Fishermead and Oldbrook estates could be included in an enlarged Central Milton Keynes area as part of a change to the Parish Council boundaries.
