Castle Ward covers town centre and the old town. Living in the old town the boundary weaving from the Skate Park on North Marine Drive and then up through Clarence Gardens to Queen's Parade is confusing. As a resident there have been on going issues from the foot of the castle by the Skate Park and along Clarence Gardens and beyond to where the gardens end just past the Watermark Cafe. However it appears that it is served by two wards, Castle and Northstead. When I have been solely contacting my Councillor I now realise I should be contacting the Northstead Councillor too.
