Organisation Name: (Member of the public)

Comment text:

I think there are too many divisions. I think it would be better if parish and town councils were given a greater role with divisions being groups of parish and town councils providing a forum for wider discussions. In general, too little authority and decision making is devolved to parish and town councils (not just in North Yorkshire) as they have a much better idea of the impact (positive and negative) on their areas than county councillors and officers.
