Related subject: Washburn & Birstwith / Harlow & St. Georges

There is a new build estate that straddles the boundary between Washburn & Birstwith / Harlow & St. Georges. I believe that the whole estate should form part of the Harlow & St. Georges. It makes no sense that this half the estate is classed as Harrogate and the other half rural Washburn & Birstwith where the needs of the constituents differs greatly, especially with all of the planned new build house in the area
