**Related subject:** Hesket and Lazonby Ward plus Alston and Fellside Ward

Armathwaite and Ainstable are a natural community and whilst the river is a natural boundary, it is the river that connects us and the boundary is the imposed government boundaries that means that at times we are at odds with our neighbours making for a hostile environment. The villages of ainstable, renwick, kirkozwald and croglin all belong within the same ward as Armathwaite and Lazonby, they have affinity with us and not Alston, we have affinity with them. Theyre in our GP practise, they go to our schools. Please bring those villages into the same ward boundaries as us.
