

Westmorland and Furness

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

The new council changes must have cost hundreds of thousands of pounds. There are massive gaps in essential services, leisure facilities in my area (Ulverston) are run down and closing. (Library, leisure centre) The roads are a disgrace and services generally are disappearing at a rate of knots. You hold consultations but already advertise the 'preferred' view. It's a disgrace
