## Comment text:

Dear Sir / Madam

I live in Solihull, West Midlands and I understand that the Boundary Commission proposes to move my property from St Alphege Ward (which covers Solihull) to Olton Ward.

I have lived in my current property for over 25 years. I use Solihull railway station (not Olton station), I shop in Solihull town centre (not in Olton), I use Solihull Library (not Olton Library) and I worship at St Alphege Church Solihull (I've never even set foot in St Margaret's Church in Olton). My house is in St Alphege parish, not St Margaret's parish. In short, I have no connection to Olton and any local concerns that I have would relate to St Alphege Ward, not to Olton Ward.

I know that the Boundary Commission won't take the views of local residents into account, but I thought I'd drop you an email anyway!
