Related subject: Bounday Commission Consultation - Olton Ward

I write concerning the proposal to move Scott Road, Fernhill Road and Richmond Road area from Olton Ward, to Lyndon Ward.
I am in full agreement with all views previously stated that this area should remain in Olton, but was shocked and disappointed to learn of the following statements from the Conservatives backing the proposal to move to Lyndon:
"topographical disconnect", ".....like entering a different county, let alone a different part of Solihull"
These smack of both snobbery and bias. Interesting to note that the move to Lyndon would include a significant number of social housing.
