Comment text:

Dear Sir/Madam,

I wish to comment on the proposed Warding for Macclesfield in Cheshire East.

1) I am fully supportive of the boundary commission proposals which best meet the interests of the Macclesfield communities and efficient electoral administration.

2) I am aware that Macclesfield Conservatives have submitted alternative proposals which involve splitting the polling district in West & Ivy (4BC1) and placing some of it in Broken Cross & Upton . I am perplexed by this proposal which would split the Weston Estate across two wards. It should be noted that there is a polling station the Calvary Church on Merebrook Rd which serves as one of 3 polling stations for the West & Ivy ward. It appears that under the Conservative Proposals that this would be located in the Broken Cross and Upton Ward which would make no sense whatsoever. Another polling station is located on Earlsway - the Weston Centre. It is not clear which ward this would fall under the Conservative proposals.

Yours sincerely

Cllr Mary Brooks (Macclesfield West & Ivy Ward)
