Dear Sir/Madam,

I wish to comment on the proposed electoral warding for the Macclesfield area of Cheshire East Council and on Macclesfield West & Ivy ward specifically..

Firstly, I fully support the Boundary Commission's current draft proposals for Macclesfield, which best meet the interests of the town's communities and facilitate the provision of clear and efficient electoral administration.

I am aware that the Conservative Party has very recently submitted alternative proposals that would split a polling district in Macclesfield West & Ivy ward - 4BC1, instead placing part of it in the Broken Cross & Upton ward . This proposal is illogical as it would effectively divide the Weston Estate across two wards. Something that as a long time resident I have never seen previously.

Therefore, I urge the commission to reject this proposal and confirm your draft proposals for Macclesfield

Yours sincerely

Cllr Nick Mannion (Macclesfield West & Ivy Ward)
