Personal Details:

Name: Dr Elizabeth Maddock

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Chelford Parish Council (Representative of parish/town council)

Comment text:

Related subject: Chelford Ward

Chelford Parish Council object to the draft proposals to:

- (a) remove Ollerton with Marthall Parish from the Chelford Ward and
- (b) to add Over Alderley Parish to the Chelford Ward.

Chelford Parish has no links to Over Alderley Parish and it is not considered that the communities of Chelford and Over Alderley (Rural Ward) have sufficiently aligned priorities and community identities to enable either community to be effectively represented if grouped together.

Chelford Parish Council supports the proposal submitted by Over Alderley Parish Council to create Wards to enables all residents of Chelford and Over Alderley to retain effective representation which reflects the communities.

Chelford Parish Council also supports the objection lodged by Ollerton with Marthall Parish Council. Chelford Parish has close ties with Ollerton with Marthall parish, including shared use of services and amenities including shops and railway station along with long established ecclesiastical ties (shared benefice) which further develop the sense of shared community links between the parishes.
