## Comment text:

**Related subject:** Tytherington

I am totally opposed to the proposed changes which can only be detrimental to the residents of Tytherington ward. We stand to lose 1 or possibly both of our 2 hard working and conscientious councillors who have served us so well in recent years. Our ward will be split up into fragments spread across different parts of Macclesfield where the existing councillors already have too many residents to look after. Please leave Tytherington ward as it is.
