**Related subject:** Bollinbrook

I fully support your proposal to include the Bollinbrook area, where I live, in the Broken Cross and Upton Ward. The current inclusion of this area in Tytherington Ward has always felt strange since Bollinbrook is separated from the bulk of Tytherington by the river Bollin and the railway. Bollinbrook has a primary school which looks west to Fallibroome to send a lot of its pupils. The road network of Victoria Road, Prestbury Road, and Kennedy Avenue all unify the area with Broken Cross and Upton.
