Hi,

I have seen the proposed change where Wychwood Village would be split from Wychwood Park. I do not want this. We are one development not two , we have a covenant which covers both the Park and Village and we should remain in the same ward and not be split. I feel that this would be detrimental to the Village and would make proposals to build a number of new houses easier which has already been vetoed by the Secretary of State. The park and village have a Section 106 covering them both.

Regards
