Related subject: Tytherington, Macclesfield

As a resident of Tytherington ward, I wish to emphasise two particularly egregious assumptions in the current proposals. These amount to gerrymandering if implemented, thereby resulting in the representatives for Tytherington being reduced from two to one.

1)The claim that Beechwood Mews and Beech Farm Drive are in Macclesfield town centre and not in Tytherington; and

2) The claim that Livesley Road and the surrounding houses are in Rainow and Bollington and not in Tytherington.

I encourage you to look at a map and start all over again!
