## Comment text:

**Related subject:** Tytherington

We currently have 2 councillors in the Tytherington ward that do a better job than our newly elected Labour MP who never ever responds to anything. David and Emma get things done. They are fantastic. To take away one of these councillors would be detrimental to the local community. Cheshire East are making lots of ridiculous cuts to the detriment of the local people. Perhaps the people at the top should stop taking such huge salaries.
