## Personal Details:

**Name:** Mr Geoffrey Dibble

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Dunster Parish Council (Parish or town councillor)

## Comment text:

**Related subject:** Dunster

Dunster is part of Exmoor national park and shares it's nature and requirements. In any reorganisation this should be represented by being in the same district as other parts of the national park within Somerset, hence it's councillors should be elected from a district that includes this region, i.e Cutcombe, Dulverton etc.

Currently we are linked to the parishes to our east (Crowcombe, Stogumber etc.) and we do not share the same requirements as they are not in Exmoor.
