

Somerset

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

I am not convinced that the officers and employees of Somerset Council (and its predecessors) are working in the best interests of the residents - I get the feeling that they are following their own plans. For this reason I feel that any diminution of what used to be called County Councillors will reduce the level of oversight into and inspection of their work.
