**Related subject:** Wincanton & Bruton division of Somerset Council

We assume that you will be splitting Wincanton & Bruton division, currently served by two Somerset councillors, into separate Bruton and Wincanton divisions, each represented by one councillor. Without detailed demographic data it is impossible for us to make useful suggestions as to the best location for the boundary between them. Because of extensive housebuilding - recently completed, under construction now, and still in Planning - the demography of both towns has altered considerably in recent years and will continue to do so in coming years, and this makes it very difficult for us to play a proactive rather than a reactive part. If you could provide us with as much demographic and draft boundary information as you can, as soon as you can, we will try to provide you with intelligent and useful comments. Thank you!
