

# Milton Keynes

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

I support changing boundaries to reflect new housing and development but not dividing districts such as Bancroft. These well recognised. Boundaries should be respected otherwise you face the problem that one side of a street could have a different councillor to this living opposite. We should also insist that a least one councillor in a ward actually lives there. Otherwise they cannot really appreciate what life there is like.
