I opposed to move the estates of Bradville and Oakridge Park from the Milton Keynes Council Stantonbury Ward to Hanslope Ward. I don't agree with someone living in Hanslope and Castlethorpe should have say over someone who lives in Bradville, Stantonbury and Linford Wood. I also don't agree with us losing a councillor in the process on Stantonbury Parish Council. The person should live in this area as they understand what is needed here. The Boundary Commission should NOT propose these changes after submissions by the local political parties.
