**Related subject:** Cradley heath & Old Hill

I feel that Cradley Heath and Old Hill should remain as a separate political unit / entity within Sandwell. M. B for the following :-  
Firstly its geographical entity being as it is bordered by the River Stour in the south and the steep ridge of the Rowley Hills in the north.  
Secondly, since the creation of Sandwell M.BC in 1974 Cradley Heath and Old Hill  
has been a successful , thriving cohesive, diverse community..  
Therefore, I feel that Cradley Heath and Old Hill should remain as they are.
