To : Local Government Boundary Submission

Ref : North Yorkshire Recommendations for Division Boundaries

From : Submission by Cllr Nick Brown, Wathvale & Bishop Monkton Division

I would like to submit the following comments on the recommended changes in my Division.

Parish	Currently	Proposed	Revised Recommendation
Skelton on Ure, Newby with Mulwith, and Givendale	A combined Council	Split with Skelton on Ure moving into Dishforth & Dalton, and the other two moving into Ripon Canal & Ure	These councils should remain combined and are naturally orientated to Ripon Canal & Ure.
Roecliffe and Westwick	A combined council	Split with Roecliffe moving to Boroughbridge, and Westwick moving into Ripon Canal & Ure	These councils should remain combined in Boroughbridge.
Kirby Hill, Thornton Bridge and Humberton	A combined Council	Split with Kirby Hill in Boroughbridge, and the others in Dishforth & Dalton	These councils should remain combined in Boroughbridge. Also consider Ellenthorpe in Boroughbridge.
Copt Hewick, Bridge Hewick and Hutton Conyers	A combined Council	Split with Copt Hewick and Bridge Hewick in Ripon Canal & Ure, and Hutton Conyers in Dishforth & Dalton	These councils should remain combined in either Dishforth & Dalton or Ripon Canal & Ure.
Langthorpe	Stand alone within Wathvale	Absorbed into Boroughbridge	Concern that the larger more populous Boroughbridge will dominate the smaller surroundings Parish Councils such as Langthorpe.
