Skelton cum Newby Parish Council is the combination of three parish councils which sit together - Skelton on Ure, Newby with Mulwith, and Givendale. these are a historic combination as they represent an area defined by the Newby Hall Estate. These councils should remain together and we have a natural orientation to Ripon so should be located in Ripon Canal & Ure. Two of the three are currently proposed in this Division so we would like to recommend Skelton on Ure (as the name suggests) being moved into Ripon Canal & Ure.
