Dear Sirs,

I have recently been elected to serve as a town councillor for Northstead Ward in Scarborough. During the campaign many residents could not understand why the geographical district of Northstead is not in the Northstead Ward for Polling purposes. Most of the core part of Northstead, on the eastern side of Gallows Field is in Woodlands Ward which many people do not feel is representative of their community.

Similarly areas in sight of the Castle like Blenheim Terrace are not part of Castle ward when they should be.

Please give this area a proper review and if necessary get back to me for clarification.

Thank you

Councillor David Knowles (Northstead Ward, Scarborough)
