Comment text:

Having perused your draft recommendations for the new electoral arrangements for North Yorkshire Council I would like to raise the following with regard to the name given to one of the proposed divisions/wards within Harrogate.

The division/ward I refer to is Bilton and Nidd Gorge. This name makes the assumption the division/ward covers the entire Bilton area which is not the case. In the interests of community identity I would propose the word Woodfield is included and the division/ward be named Bilton Woodfield and Nidd Gorge. I welcome any feedback you can provide on this matter.

Kind regards. David Goodall.

Councillor David Goodall
Bilton Woodfield Ward, Harrogate Town Council
