I am the sole councillor for the present W&F Greystoke & Ullswater ward. At present I have 7 parishes in the ward, which I call Greystoke, Ullswater & Dacre ward as Dacre parish has the biggest settlements. I am in general agreement to the proposed changes with the reduction in the size of the ward, as I am conscious that I have a lot of residents in a very large (geographically) ward. And as all the other parishes are fully or partly within the Lake District National Park, it seems sensible to take Greystoke parish which is wholly outside the National Park and to put it in with the ward Hesket & Lazonby to the north. And the change in the name of the remaining ward to Ullswater & Dacre seems sensible.

Having said that, I have found the Greystoke Parish Council and the wider community very good to work alongside, and if I am lucky enough to be re-elected in 2027 to the new Ullswater & Dacre ward, I shall miss working with them.
