I have already made my views known - I prefer 2 Councillor wards. My first preference locally would be for Levens and Lyth Valley because the villages are adjacent to each but I recognise that the numbers of the electorate pobably don't manage the requirements. I also recognise that several Parish Councils want to continue to be linked - Preston Richard and Preston Patrick in my current ward share a church and Primary school (as do Sedgwick and Crosscrake - who might prefer to stay in the S Kendal ward). Heversham and Hincaster share a Neighbourhood Plan. My preferred name for the ward continues to be "Levens and Crooklands" because it has worked. Crooklands is in Preston Richard Parish Council. Otherwise I think that it is important that there is a main road linking the parishes in my ward (not narrow country lanes).
