Dear review team,

I am writing as a near lifelong Scarborough resident and current resident in Newby division and within Scalby and Newby parish and as someone actively involved in community life across the parish to give my full support to the boundary commission's proposals for Scalby and Newby.

It makes much more sense to add the Newby Farm estate and the parts of Newby south of Scalby Beck into Newby division as it is the natural geographic boundary and they are widely considered to be Newby and not Scalby.

I think it is important that the boundary of Newby division does not stray into the Scarborough Town Council area as the community has a distinctive identity and parish and any overlap would erode and undermine that.

Please keep my personal details private.
