I am aghast to find the strong community of 3 villages, namely Rylstone Cracoe and Hetton should be considered for transfer to Mid Craven;

1. Our focus has always been directed towards Wharfedale, NE of the three villages.
2. Our cricket team plays in the Dales league.
3. Our local transport travels towards our essential amenities ie. shops, schools, garages, theatre and recreation in Grassington and beyond.
4. The transfer of the total population of the three villages would surely not justify the severance of social and cultural links with Wharfedale.

Historical ties should not be sacrificed for the sake of political expediency.
