Although I missed being able to give my views during the Consultation in autumn 2024. Very poor communication from Boundary Commission and North Yorkshire Council. I have completed surveys for Boundary commission previously, they have my e-mail, and North Yorkshire have my e-mail too. However, I do agree with the proposed boundary for Boroughbridge Constituency. I have lived in Boroughbridge all my life and canvassed this area in the early 2000s. The new homes bring more voters, it is unfortunate that the Local Elections only have a turnout of approximately mid thirty percent. Perhaps this boundary change will encourage greater participation in Local Democracy.
