Related subject: Ripon Canal and Ure / Dishforth

Skelton-cum-Newby strongly objects to this proposal, as you have split our council between two separate NYC constituencies. Our Givendale and Newby with Mulwith wards are in Ripon Canal and Ure, while our Skelton-on-Ure ward is in Dishforth. The Council is firmly of the belief that its whole area should be within Ripon Canal and Ure, due to historic links and the importance of the River Ure within the parish.

Best wishes, Nick Reed (Clerk to Skelton-cum-Newby Parish Council, 07939-136082)
