Pateley Bridge Town Council has considered the draft recommendations published in April as part of the Local Government Boundary Commission for England's electoral review of North Yorkshire.

During the previous consultation period, the Town Council submitted its concerns regarding North Yorkshire Council's proposal to include parishes in Upper Nidderdale within a new Wharfedale Division.

We are therefore very pleased that the Commission has taken into account the representations made by Pateley Bridge Town Council and other Nidderdale parishes, and has proposed a revised division which reflects more accurately the area's geography, community identity, and local interests.

Pateley Bridge Town Council fully supports the Commission's proposal to establish a new Pateley Bridge and Nidderdale Division, and welcomes this recognition of Nidderdale as a distinct and cohesive community.
