Bewerley Parish Council has considered the Commission's draft recommendations for North Yorkshire which were published in April. In the previous period of consultation, the council submitted concerns about North Yorkshire Council's proposal to include parishes in upper Nidderdale within a new Wharfedale Division.

The parish council is, therefore, very pleased that the Commission has recognised the concerns raised by Bewerley, and other parishes in Nidderdale, and proposed a Nidderdale Division which reflects the topography, community identities and local interests of Nidderdale.
