## Personal Details:

**Name:** Mr Malcolm Richardson

**Email:** [REDACTED]

**Postcode:** [REDACTED]

**Organisation Name:** Stainton Parish Council (Representative of parish/town council)

## Comment text:

**Related subject:** Levens and Kendal South

Stainton Parish Council strongly wishes to remain in a South Kendal ward which would also contain Sedgwick and Preston Richard as these three communities are those with which we have strong community identity. We have no identity with Levens and very little with Heversham.
