Comment text:

Related subject: Coniston

I very much disagree with Coniston being paired up with Greenodd, Kirkby, Ireleth, Broughton etc on the basis that these villages and towns are very different to Coniston, where as Hawkshead, Skelwith etc face the same similarities as Coniston, such as bus routes, rural farming, councillor, Coniston is also under threat of losing our doctor's surgery and patients will more than likely be referred to Hawkshead surgery
