Comment text:

Our postcode is CH495AB. We are a brand new currently being built cul de sac called Jamboree Close on the old site of the Stirrup Pub. We class ourselves as Upton yet our postcode suggests we are Woodchurch. We are not part of the Woodchurch Estate. Woodchurch Estate does not have houses worth £410,000! Please consider people like us who have worked so hard to get ourselves into a position to buy a house worth that yet be classed as Woodchurch which still carries the stigma of a low socio economic council estate. We are not snobs. I work at Woodchurch Dental Practice providing free NHS treatment to people of the estate but my postcode should be classed as Upton. Thanks
