Good evening

I live with my family on Alfred Road which the Royal Mail classes as Prenton although it is nowhere near Prenton Ward boundary. Looking at the map there is a boundary running down the centre of Alfred Rd putting half in Oxton Ward and half in Claughton and Nocturum. This makes no sense as when we vote we are sent to Birkenhead library yet our nearest polling station is at Christ church in Oxton. Our nearest post office is in Oxton as are our GP practice and dentist. It appears to be much simpler to run the boundary down Grange Road West which would remove a lot of angles and unnecessary diversions in the ward boundary moving more roads associated with Oxton Ward into that ward and out of Claughton and Nocturum ward.
