Related subject: Catterick Village and Crakehall

I live in Hunton, which is being proposed to become part of the Catterick Village and Crakehall council area. As a resident, I see myself as being more closely related and linked to Leyburn and the Lower Wensleydale area, than Catterick Village. Catterick Village is quite a distance away and is located on the other side of the A1M, whereas Hunton is very much seen as a Lower Wensleydale village. Our nearest shops, doctors surgeries, dentists etc are all in Leyburn and that direction - we rarely go in the other direction to Catterick. I understand why the area needs to be expanded, but it feels a much better fit for us to be moved into Leyburn or Lower Wensleydale, and look to extend Catterick Village more towards Bedale and Colburn that have much closer links.
