The Archdeacon Parish to the West of the A1M road is a rural area with open land and scattered farms. The electorate is small but they feel swamped by the new urban development to the east of the A1M. They have social and security interests that align more with their neighbours in Low and High Coniscliffe, Walworth, Denton, Summerhouse, Killerby, High Side and Heighington. They should be part of the Heighington and Coniscliffe Ward
