At the Full Council meeting held on Monday 15th December 2025, Members of Bromyard & Winslow Town Council considered making a response to the Local Government Boundary Commission for England (LGBCE) consultation on Herefordshire Council ward boundaries. Based on the information available, Bromyard & Winslow Town Council considers that no changes to the existing ward boundaries affecting the parish are necessary or justified at this time.

The Town Council therefore supports the retention of the existing Bromyard West and Bromyard Bringsty ward boundaries.

Whilst Members of the Town Council understand that matters relating to parish and town council representation fall outside the LGBCE's remit, they also resolved to write to Herefordshire Council encouraging consideration of a Community Governance Review for Bromyard & Winslow, including a review of the current number of Town Councillors, noting that a council size of around 15 members may be appropriate, in line with LGBCE best practice.
