Dear Sirs,

**Darlington Electoral Review – CONSULTATION PHASE**

Further to our exchange of emails with Mr Joshua Andrews, I am pleased to enclose a number of submissions to your invitation to 'Have Your Say'

These are largely from older residents, who are not confident with the internet facilities.

Please add these submissions to your online versions, as agreed.

Thank you for your co-operation.

  
Yours faithfully

The Local Government Boundary Commission for England is asking for your views on our electoral review of Darlington. The review will agree new ward boundaries across the council.

- Do you have suggestions about where your ward boundaries should be?
- Where do people in your area go to access local facilities, such as shops and leisure activities?
- Which areas do you identify as your local community?
