

# York

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

Many of the rural wards and parishes are very diverse; with a broad mix of incomes, employment status and needs. The councillor representation is often very narrow, and does not do a good job of representing all the diversity in the geographical catchment. I do not know that there is an easy solution to this; but the councillors in the York Outer wards particularly, should be challenged by the wider group as to whether they are truly diverse in their opinions and representation.
