Related subject: I am giving views on Swanside HY13

I think HY13 should be removed from Knowsley and move back to Liverpool City Council as it was pre 1974 boundary changes.

I never use ANY of KMBC amenities,including community centres,libraries shops etc.

I prefer to shop in Liverpool in my adjacent areas of Broadgreen,Childwall,Woolton as do many of my neighbours.

I also use the amenities of Liverpool City centre.

I don't feel part of Knowsley as we are so close to the Liverpool boundary and KMBC mostly concentrates on Kirkby/North Huyton areas.
