Specifically the Mackets Lane estate. The council have been absolutely disgraceful in their lack of anything to do with Mackets Lane estate. I subscribe to the Knowsley news webpage and see lots & lots of things being highlighted & put on in Huyton, Kirkby but a lot less in The Leathers Lane area of Halewood but nothing at all in Mackets Lane. It's like we just don't exist as part of Knowsley Council.

Is it because the council know that we will vote the same councilors in time & time again..... well no more.... the local councilors are seriously deluded if they think they don't have to work for ALL parts of the borough..... i (& a lot of people i know) will not be putting our X's in our usual Labour box....

MACKETS LANE IS PART OF KNOWSLEY TOO..... lack of resources is appalling, we've no Doctors surgery, 1 shop, no street cleaning (dog mess is a major issue)... thats just a few.... get your fingers out and do something.
