Dear Sir/Madam,

## City of Bristol Boundary Review

On behalf of the Trustees of The Henleaze Society, I am writing to you about the current boundary review.

We support Westbury-on-Trym & Henleaze remaining as one ward with 3 Councillors. Our key reasons for this are:

- The last boundary review, which created the merged ward of Westbury-on-Trym & Henleaze, only took place 11 years ago.
- The Henleaze Society and the Westbury-on-Trym Society work together, where necessary, and share common community issues.
- Residents have taken time to appreciate that we have a merged ward. It is too soon to split the two communities.

Yours faithfully

Helen Furber
