**Related subject:** Boundaries

I personally think Hengrove and Whitchurch Park should be divided into two wards; with the two wards taking one of the each names. Each should have two councillors.

Speedwell Road is a jumble, as some of it comes under St George E and Central, Eastville and Hillfields. I think merging ALL into Hillfields would make more sense and be much more logical. Some of Hillfields could easily fit into Fishponds and Frome Vale.

Rename Filwood to Knowle West as most of the ward is based in that settlement.

Merge St George Cen and Troopers Hill into one ward or alternately St George Cen (minus Speedwell Road) could be called Whiteway with Troopers Hill and St George W merged.

Cut some of Redcliffe out of Central and merge into Southville and Windmill Hill.

Central Ward should be a single seat ward with new boundaries.
