Lake Road, Charis Avenue, Cranham Road, Lakeood Road and Glenwood Road should be moved out of Southmead ward where it has no connections and into Henleaze. The roads include Henleaze swimming lake, the closest town / district centres are Henleaze and Westbury-on-Trym and the road systems divide this little enclave from Southmead. Ideally Henleaze and Westbury OT should be split into two formally and Henleaze should incorporate this little island of roads and contributory roads to lake Road.
